

## About us

*Stuff Design is a Danish design company with over 15 years experience in designing and producing interior decorating accessories and trendy kitchenware in wood and ceramic, with focus on quality and commercial prices.*

*Stuff*

## Basic boards

*Our collection of BASIC BOARDS is classic serving boards in great design and quality, at competitive and commercial prices.*

*The standard thickness of our BASIC BOARDS is 1,5 cm, and the collection consist of modern and timeless designed cutting boards and small trays.*

*All products are handmade in India.*

## Plank boards

*This is a cool and uniqe collection of cutting-boards, with a thickness of 2,5 cm.*

*Part of the collection come with juice grooves, and it is also in this collection we have our topselling RAW boards.*

## Deluxe boards

*Our DELUXE BOARDS are high end cutting boards and serving trays with a thicknes of 2 cm, and soft rounded edges.*

*This is a very durable and elegant collection, in a simple but elegant design.*

*Top quality and still at very commercial prices.*
